SUMMARY

Enthusiastic post-graduate with basic knowledge in coding and design. Proficient in Java . Ability to learn new softwares and technologies quickly. Capability to work in teams by providing valuable support.Seeking an opportunity in the field of software engineering.

SKILLS

Professional Skills	Googling, Leadership, Ability to work independently as well as in a team
Languages	Java, Springboot, Hibernate, React Js, MySQL, Microservices, DynamicReports
Communication	Marathi, Hindi, English

CERTIFICATION

CORE JAVA : Sunbeam Infotech Pvt.Ltd , Pune 02/2022

Java Language Fundamentals, OOPs Concept , Exception Handling, Functional Programming Fundamentals , Generics , String Handling, Collection Framework , Multithreading , File IO & Reflection .

ACADEMIC PROJECTS

Restaurant Billing System, Platform: Springboot , React Js, MySQL

The billing process is done manually by manpower.It results in delayed time for the consumer and to the organization while the bill is being processed. So, there is a room for improvement here.It has advantages over the paper-based billing system.

Airline Ticket Reservation System, Platform: Servlet , Jsp, MySQL

Airline Reservation System is a web portal to book airline ticket online. It is web based project is an attempt to stimulate the basic concepts of airline reservation system. The system enables the customer to do the things such as search for airline flights for two travel cities/countries on a specified date, choose a flight based on the details, reservation of flight.

EDUCATION

CDAC Banglore Institute ,Ministry of Electronics IT Govt Of India 10/2022
PG-Diploma In Advance Computing – 68.50%

GES's College Of Engineering, Savitribai Pule Pune University 06/2021
BE-Mechanical Engineering – 83.66%

EXPERIENCE

Associate Software Engineer 01/2023 – Present
OSI Digital *Hyderabad, Telangana , India*

- Plays a significant role in architecting, developing, and optimizing Java-based software solutions, with a deep understanding of Java technologies and best practices.

Junior Executive 07/2021 – 12/2021
Ukay Metal Industries Pvt Ltd *Pune, Maharashtra , India*

- Ensuring that all products delivered from a supplier are in compliance with manufacturing specifications.

Junior Engineer 08/2018 – 06/2021
Montex Glass Fibre Industries Pvt Ltd *Nashik, Maharashtra, India*

- Developed component design and rapid prototyping to support product development.
